Please save the date for the Parish Council's Annual Parish Assembly on Thursday 26th March from 7pm until 9.30pm at the Horam Village Hall. The Annual Parish Assembly is a meeting of the electorate (residents). There will be guest speakers including Lord Horam and Wealden Works, the opportunity to meet all your local parish councillors as well as the chance to voice any concerns you may have living in the parish. Everyone is welcome and there will be light refreshments.

Horam Parish Council (HPC), in collaboration with the East Sussex County Council's Rights of Way Team, are working to improve access to our parish by removing barriers on public footpaths. Support is available to improve accessibility by replacing old or damaged stiles with pedestrian gates, making countryside paths accessible to all.

If there are stiles in the parish that you are aware of that are in desperate need of repair, please take a photo and pin point the location with What3Words or a map and contact the Parish Clerk and we will get to work contacting the landowner to try and arrange a free replacement galvanised metal pedestrian gate.
