

The Parish Council has submitted its response to the Wealden District Council Draft Local Plan Consultation. The Full Council held 3 additional meetings to ensure that their detailed response was to the exacting standards it needed to be in order to fight for Horam to remain a village rather than be swamped by overdevelopment. Special thanks should be given to David Marlow, Cllr Sue Lane and Cllr Andy Billings whose efforts on behalf of Horam residents has been exceptional. Wealden District Council had extended the deadline for their consultation by one week until the 27th March due to a glitch on their website. However, HPC had fought for a longer time extension.

Please save the date for the Parish Council's Skate Jam which is being held on Thursday 28th May at the Horam Recreation Ground from 10am-3pm. The event is run by professionals who provide coaching sessions in the morning and then run competitions to showcase your skills in the afternoon. Equipment can be provided on the day so please do come along even if you are a complete beginner!! There will also be hot drinks and toilet facilities available all day.

Horam Parish Council (HPC), in collaboration with the East Sussex County Council's Rights of Way Team, are working to improve access to our parish by removing barriers on public footpaths. Support is available to improve accessibility by replacing old or damaged stiles with pedestrian gates, making countryside paths accessible to all.

If there are stiles in the parish that you are aware of that are in desperate need of repair, please take a photo and pin point the location with What3Words or a map and contact the Parish Clerk and we will get to work contacting the landowner to try and arrange a free replacement galvanised metal pedestrian gate.
