

HORAM PARISH COUNCIL NEWS UPDATE

Horam Fun Day

Horam Parish Council were warmly welcomed by the Fun Day organisers on the big day. Despite the windy weather which broke the gazebo the councillors did not give up. The free competition to "Guess The Number Of Sweets In The Jar" was a great success with lots of participants. Well done to the winner Jack Ransome who won the jar of sweets and a £20 Amazon voucher. It was great to see so many residents enjoying the Fun Day in the sunshine.

A big thank you to Cllr Gary Brockhurst for his excellent playground repair work. He has saved residents thousands of pounds which can now be spent on other meaningful projects. Cllr Brockhurst also repairs all the parish finger posts free of charge. This is a highly skilled job, and the parish are lucky to have him. East Sussex County Council have given permission for HPC to add a legend stating "Narrow Lane" underneath the Ballssocks Lane finger post in Vines Cross which will hopefully deter the large vehicles.

A big thank you to Cllr Lane for ensuring that the potholes on the private road leading to the village hall were filled in before the Fun Day.

This is not the parish council's responsibility, but Cllr Lane has worked hard to develop a good rapport with the owner of the road.

Unfortunately, Horam Parish Council's free minibus service transporting young people to the new Heathfield Youth Club on a Friday night has had to be cancelled due to the low uptake. The council plans to advertise the service again in the Autumn. However, we can only restart if there is a firm commitment from enough users to support the service. If you need any more details please contact the Clerk.

The next Skate Jam has been booked for Thursday 29th October so please save the date !!

Also, the Parish Council Horam Christmas Fun Night is being held on Friday 11th December. There will be lots of family fun to look forward to. If there are any children entertainers out there who may wish to be involved with the festivities please contact the Clerk directly.
