

FULL COUNCIL – AGENDA ITEM 19 – YOUTH CLUB UPDATE

At the recent Finance Committee meeting a representative from the Football Club confirmed that the clubhouse would not be available for a youth club until alterations were made within the building.

ESCC have a safeguarding policy for staff and young people so the shared space would not be viable option with the building in its existing condition.

The only available day ESCC can offer its services is a Monday and the Tennis Club use the building on this night.

A meeting is being arranged with all parties to try and find a way forward.
