

HAPPY 100th BIRTHDAY HORAM

In November 1925 the residents decided to change the name of the village from Horeham to Horam. Not everyone agreed, but the majority carried the motion and so the spelling of our village's name is 100 years old this month!!
The pronunciation in the Sussex dialect is much older but unchanged

Good news there will be another Skate Jam in 2026. Watch this space for a confirmed date.

There will also be another PCSO drop-in at the Horam Centre in the new year. The drop-in is normally a 2-hour slot for anyone to pop in and discuss any concerns you may have.

The parish councils existing plaque supplier for the memorial stone is retiring, and a new plaque supplier has been agreed. There will be no price changes, but new plaques will now be made in brass.

The Parish Council has received several reports expressing concern regarding the Car Wash in the May Garland car park. Wealden has notified us that a Temporary Stop Notice was issued to both the operator and landowner on 11th November. This notice took effect immediately, remains in force for 56 days, and requires all activities at the site to cease. It is enforced alongside the existing Enforcement Notice. Should operations resume during or after this period, additional formal actions may follow.

A printed copy of the Horam Neighbourhood Plan is available to view at the parish council office as well as online on the parish council website. It is an invaluable tool for anyone considering building works. All the adopted policies are clearly laid out and provide guidance on how new structures should be designed, the suggested materials to be used and how best to fit them into the existing landscape.

For information the Repair Café, usually located in Horam Village Hall is moving to the new Youth Centre in Heathfield next to the Co-op from January 2026.
