General news update

Central government announced on Monday 7th September that the local government reorganisation in 14 areas including East Sussex and Brighton has been paused. The shadow elections planned for 2027 have been replaced by local elections which will take place on the first Thursday in May. Devolution will be delayed for at least a year, but the government remain committed to the process.

The Wealden Local Plan – Submission Draft (Regulation 19) should now be public, and the link is on the HPC website.

Regulation 19 is a formal representation stage rather than a public consultation exercise. The purpose of this stage is to allow people to comment on whether the proposed submission local plan is legally compliant and sound before it is submitted for independent examination. Please check the Wealden District Council website to confirm the dates.
